

BOARD-EXECUTIVE RELATIONSHIP

As the board's single official link to the operating organization, the Executive Director is accountable for all organizational performance and exercises all authority transmitted into the organization by the board. Executive Director performance will be considered to be synonymous with organizational performance as a total.

Consequently, the Executive Director's job contributions can be stated as performance in only two areas:

1. Organizational accomplishment of the provisions of board policies on *Ends*.
2. Organization operation within the boundaries of prudence and ethics established in board policies on *Executive Limitations*.
